Aire Park

# An *urban oasis* at your doorstep

At the heart of Aire Park sits an extraordinary gem – an eight acre urban oasis meticulously designed to bring the serenity of nature to your doorstep.

Amidst the bustling cityscape, this sanctuary serves as a haven for relaxation, recreation, and connection, offering businesses and occupiers direct access to lush green spaces.

## 1 - THE TETLEY GREEN

A soft terraced space with built-in seating perfect for relaxation, watching and dwelling.

## 2 - CENTRAL PARK

A large informal green space in the centre of the site, beautifully framed by trees.

## 3 - THE FLOWERING AVENUE

A picturesque linkway through the park, the Avenue is an iconic springtime attraction due to the bold blossoms of the many flowering trees.

## 4 - EXERCISE ROUTES

The park creates a new 1km exercise route, perfect for jogging or a leisurely lunchtime stroll.

## 5 - SPACES FOR PLAY

A dedicated 600m2 play space for younger children with a naturalistic adventure theme.

## 6 - OUTDOOR EVENTS SPACE

A multi-functional all year-round space, suitable for outdoor cinema, concerts and markets.

## A RICH BIODIVERSITY

Throughout the park interventions such as bug hotels, bird boxes, and pollinating gardens create an ecological haven. A variety in species and size of trees, many of them native, will be positioned to encourage wildlife corridors.

## THE TEAM BEHIND AIRE PARK

Vastint is an international real estate organisation with over 30 years of experience. The goal of Vastint is to create long-term value through property investments. The cornerstones of our operations are the management of portfolio properties and the development of commercial real estate, including residential development and sales.

At Vastint UK, we specialise in unlocking the potential of large city sites to create truly mixed-use regeneration schemes. We want to create distinct urban environments inspired by how people enjoy working and living in the modern world. We have ongoing projects in London, Leeds and Cardiff.
