

THE ARC CINEMA IS A FAST GROWING BRAND OF CINEMAS SERVING LOCAL COMMUNITIES WITH A COMBINATION OF NEW BUILDS AND REFURBISHMENTS OF HISTORIC SITES. WHETHER THE SITES ARE NEW OR OLD, WE ALWAYS HAVE EXCELLENT SEATS!

We have a passion for cinema and for looking after our customers. We take pride in our fit outs and work hard to become a part of the communities we serve. We screen a range of mainstream content with plenty of screenings of interest to each individual community.

We serve classic cinema drinks, popcorn (freshly popped daily, of course) snacks and confectionary – always with a smile.

We focus on getting the essence of the cinema experience spot on, whether that be the warmth of the welcome, the freshness of our popcorn, the insane comfort of our seats, the crispness of our picture or the impact of our sound.

No matter who you are - a visit to The Arc Cinema is always a pleasure!
