

WE ARE LOOKING FOR SITES

IONITY is building and operating a High-Power Charging Network for Electric Vehicles along all major Highways and Motorways across the UK and mainland Europe

SITE REQUIREMENTS

Land to develop: 0.2 – 0.8 acres;
other sizes will be considered

Existing sites: space for at least 6
charging bays and hardware (c.
2,700ft²/ 250m²)

Sites with adjacent facilities: coffee,
toilets, shop etc.

Easy access from a Motorway or A
Road

Access to charging bays 24/7

WHAT WE OFFER

Freehold purchase of land for a
competitive price

Lease of up to 25 years with an
indexed rent

No upfront costs to the land-lord –
all costs are covered by IONITY

Increased footfall to site from
customers during the charging
session

Assets maintained by IONITY during
lease term

OUR MISSION

Future-proof technology with up to
350kW charging power per charger

Open network for all brands of EVs

Powered by 100% green energy

High availability with excellent 24/7
customer service

PLEASE SEND ALL OPPORTUNITIES TO OUR AGENTS:

Oppurtunities across the North

Oppurtunities across the South
