

WE ARE LOOKING FOR SITES

IONITY is building and operating a high-power charging network for electric vehicles along motorways across the UK and mainland Europe and you can be a part of it: to expand our network in the UK we are looking for suitable sites.

SITE REQUIREMENTS

- > Land to develop: 0.2 – 0.8 acres; other sizes will be considered
- > Existing sites: space for at least 6 charging bays and hardware (ca. 2,700ft²/ 250m²)
- > Sites with adjacent facilities are preferred: coffee, toilets, shop etc.
- > Easy access from a Motorway or A Road
- > Access to charging bays 24/7

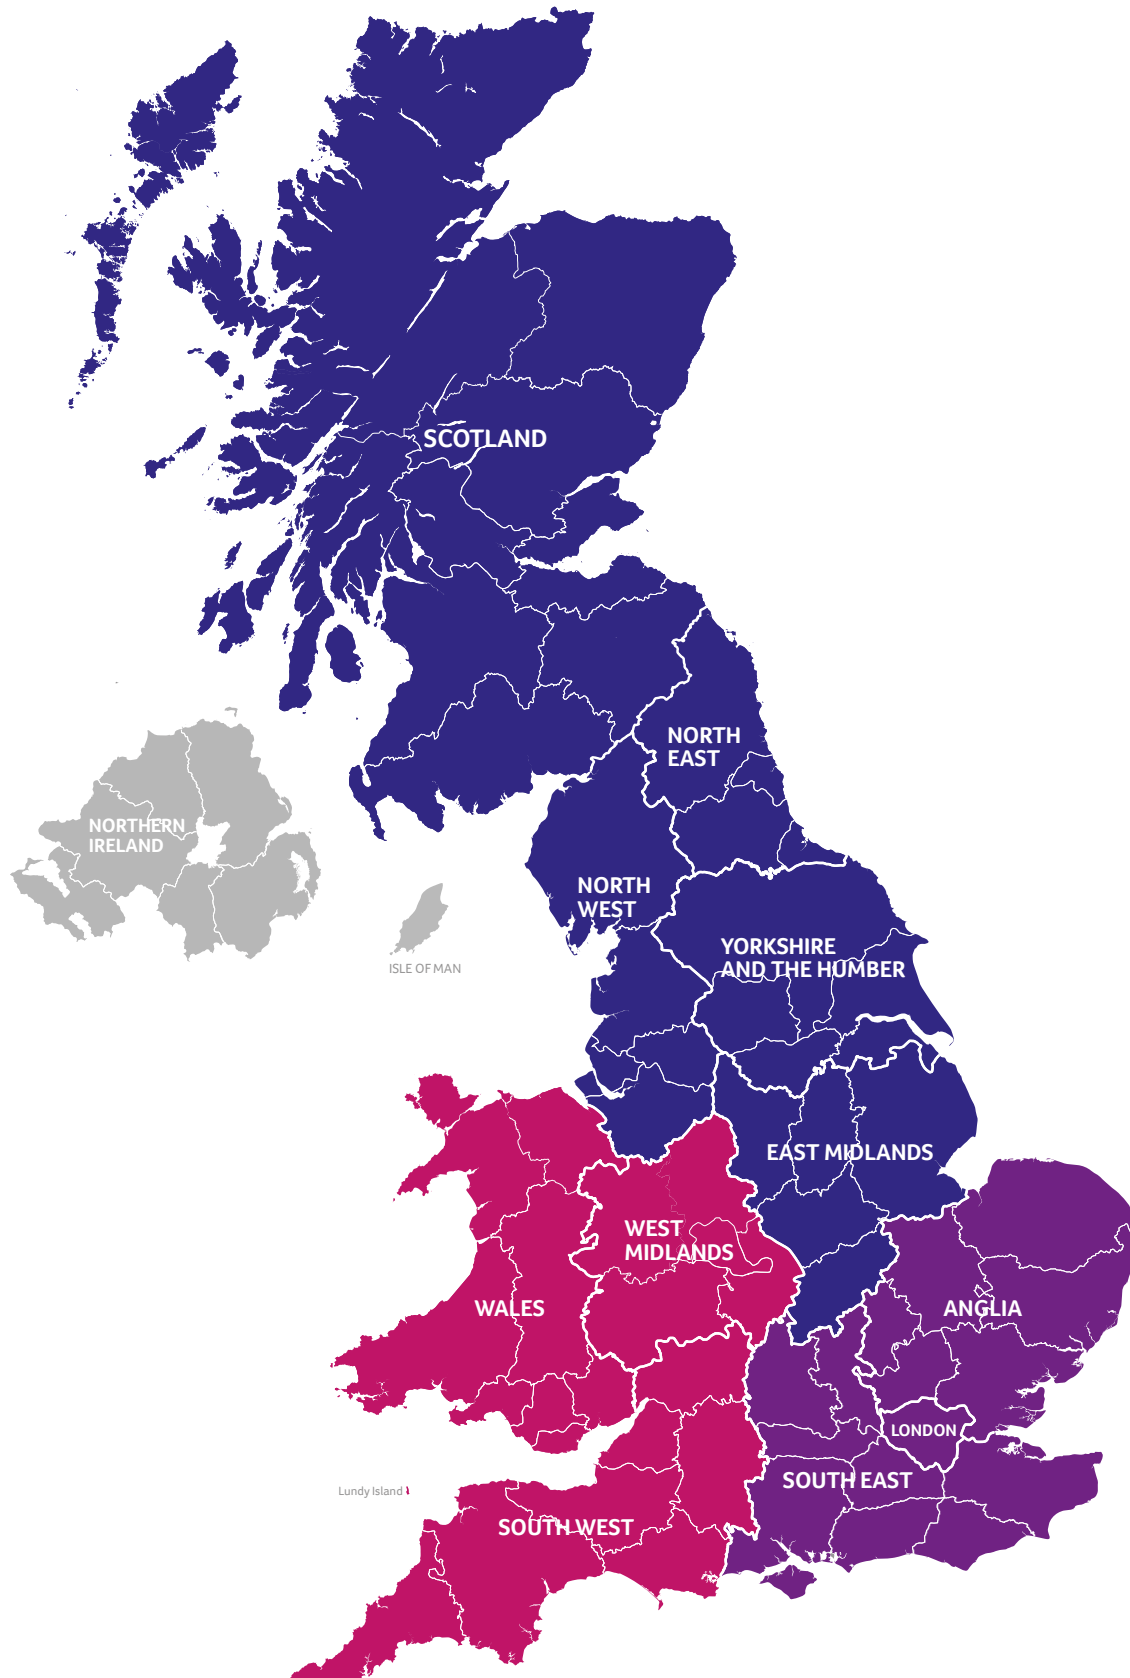

WHAT WE OFFER

- > Freehold purchase of land for a competitive price
- > Lease of up to 25 years with an indexed rent
- > No upfront costs to the landlord – all costs are covered by IONITY
- > Increased footfall to site from customers during the charging session
- > Assets maintained by IONITY during lease term

OUR MISSION

- > Future-proof technology with up to 350kW charging power per charger
- > Open network for all brands of EVs
- > Powered by 100% green energy
- > High availability with excellent 24/7 customer service
